‘Abu-Ghazaleh Knowledge Center’ Holds Various Training Courses in January

AMMAN - Talal Abu-Ghazaleh Knowledge Center (TAG-KC), a member of Talal Abu-Ghazaleh Global (TAG.Global), held various training courses in January 2022, conducted digitally and face-to-face, including the following:

- A new Human Resources Diploma has recently been launched, consisting of a number of short-term courses that fall under this Diploma including an Introduction to Human Resource Management, Performance Assessment Management, Recruitment, and Career Path Planning. Twenty

participants took the diploma.

- Training courses, listed as a part of the professional diplomas, that have been continuously held since last year, including: Human Resources Business Partner: Bringing Theory to Practice, Human Resources and Workforce Planning, Translation (Arabic–English and vice versa), Translation of Military and Security Texts, and Translation of Advertising Materials. Seventy-two participants attended the aforementioned courses.
- The Translation of Military and Security Texts (Level I) and the Translation of Military and Security Texts (Level II) courses were held for trainees registered in the Translation Diploma of the Jordanian Armed Forces.
- The Role of Creativity and Design Thinking in Overcoming Challenges course was held in cooperation with the Career Counselling and the Follow-up of Graduates Office at Petra University, where fourteen students attended the course.

‘Abu-Ghazaleh Knowledge Center’ and All Jordan Youth Commission Renew Cooperation Agreement

AMMAN – Talal Abu-Ghazaleh Knowledge Center (TAG-KC), a member of Talal Abu-Ghazaleh Global (TAG.Global), and the King Abdullah II Fund for Development (KAFD) renewed the previously-signed agreement relating to training courses offered by the All Jordan Youth Commission (AJYC). The agreement aims at qualifying and building the capacities of the youth to effectively compete in the labor market.

Based on this cooperation, a number of courses were organized and conducted in January 2022, including the English Language Course (Level I and Level II) that took place in the Ma’an Governorate with the participation of 44 trainees.

It is worth mentioning that a series of courses will be held in the upcoming months to include the English Language, Artificial Intelligence (AI), Training of Trainers (ToT), Cellular Applications, and Entrepreneurship and Leadership courses.

The training courses will be held at the AJYC’s offices throughout the Kingdom’s governorates.

Activities of TAG-Knowledge Stations in January 2022
